UNITY UNIT HIGH SCHOOL

Singer,

Really, I knew you wouldn't take Nick at the queen contest. Besides, I wouldn't have let you! That was really a fun, but hectic day, wasn't it? And the time we went to Beardstown to have our pictures taken? Coming hair? Eye make-up? The whole business.

Remember when we went bowling with Connie Gregory. We tried to beat Susan and ended up at 100 mph. Your face was really white. Enough to scare anybody, though.

Keep the happy face. It's one of your greatest assets.

BOARD OF EDUCATION

These are members of our community who devote their time and effort in fulfilling the responsibility of directing school business.

SUPERINTENDENT'S MESSAGE

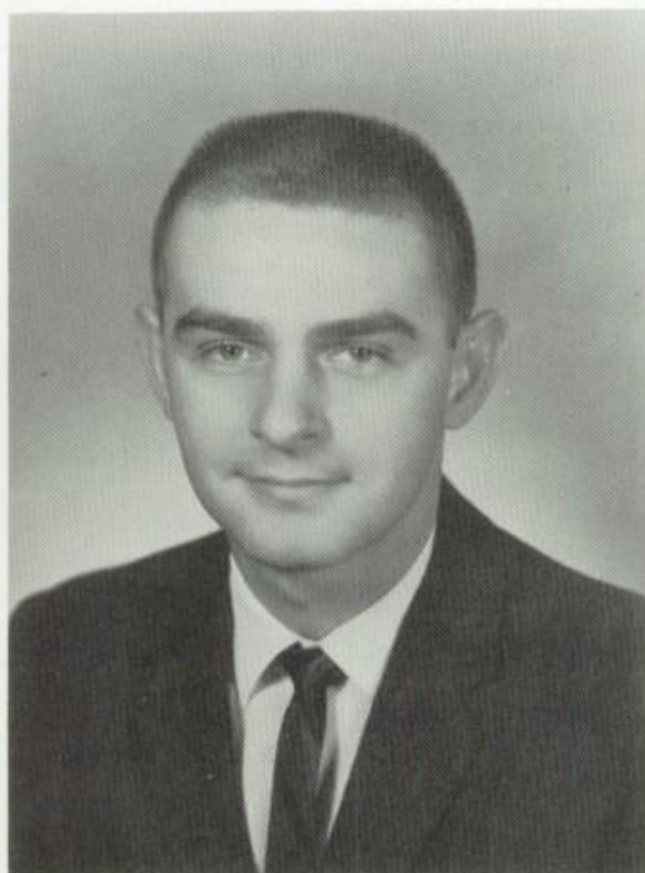

The most important capital that any economy possesses is in the skills which people carry around in their heads. Few investments are more rewarding than education. Everybody should be given a chance to do his best, not only in school but all through life. Few of us know what our best is, and we will not find out by reading what somebody has written on our diplomas, because the reality is what we ourselves have written on our minds.

CLASS PROPHECY

June 9, 1971

Dear Sally and Marcia,

We all missed you at our class reunion, but I realize how terribly busy both of you must be in your graduate work. One hears more and more everyday about the advancements in the fields of nursing and social work. Perhaps you will be interested in hearing about the accomplishments of our high school classmates, as seen through the eyes of a happily married wife and mother. Oh yes, on the day of the reunion our son celebrated his third birthday and our daughter will soon be two.

Of course Susan married Jerry and they live in Colorado Springs on a small ranch. Susan and Jerry are parents of four husky boys! When I spoke with Susan she mentioned that Linda Rawley married shortly after graduation and moved out of Illinois. Linda and her husband did not attend the reunion.

Chuck and Diana live on a farm outside of Astoria. They have a brand new baby boy. Diana graduated from Memorial a full-fledged nurse.

The day before the reunion, I attended Carol Joy's wedding where I saw many of our classmates. Mike Davis and his new bride were in charge of the floral arrangements. Mike has a chain of floral shops through-out the Midwest. By the way, his bride is the former Cherryl Bricker. Babs served at the reception table and she still looks as young as ever.

Many of our classmates are married. Gary Adkins and his wife live on a farm around Summum.

Dayle Bucher, Rodney Chockley, and Melvin Edmiston are prosperous farmers in the Fulton County area. They all have lovely families.

As you already know, Becky Davis and Eddie Easley are married and Ed has made a career of the United States Army. They were unable to attend the reunion since Ed couldn't get a pass to come back. They have a little girl who is almost three years old.

Carl Cornn and his Mrs. own a cotton plantation in Louisiana.

Soon after graduation Marsha Scrogum and Sandra Grover went to St. Louis to work as receptionist at Barnes' Hospital, but Marsha returned to Summum and married her high school beau.

Danny Bollinger finally got the job of Nurses' aid at the nursing home in Lewistown.

Kenny Batterton has advanced to Department Manager at Sears in Peoria.

That leader of mean, Robert Bucher, has almost accomplished his dream of

taking over South America. We see his name in the news everyday!

Janice McCombs and Donna Derry took time off from their positions as hair stylists in a famous Chicago salon to attend.

Rita Stambaugh and Janice Ford are secretaries at the University of Minneapolis. They are planning to fly to Europe during their vacation.

After growing up in the dry cleaning business Frank Heath decided to make a career of it. He now owns a chain of dry cleaners across the United States.

Edith and her husband own a pizza parlor in Table Grove.

Fulton County has just hired a new truant officer. He is our classmate Gary Hulett. I understand that he is kept very busy.

Alvin Johnson has finally made his million dollar hit, "Little Baby Blue Eyes." He records for Max Workman's Recording Company.

On the way to the reunion Don and I stopped at the Astoria Hospital to see the former Dorothy Lucas and her twin girls.

Sharing an apartment in Springfield are that lively pair Chris and Connie. They both work at Bell Telephone Company where Stephen Skiles and Dennis Taylor are linemen.

Doug Shaw is a Captain in the United States Air Force. He isn't married yet but he's got a cute brunette.

Two of our boys run a Las Vegas Gambling Casino. They are Phillip Poppenhager and Ronnie Parr.

Ken Walters manages the Boston Celtics on which Roy Parry is the Star Center.

Steve Richardson and Carroll Thompson run competitive grocery stores in Summum. Stanley Simpson and his wife Linda are frequent customers of both establishments. They have set up a chicken farm north of town.

Astoria District has hired Carol Tippey as their school nurse. She graduated from Graham School of Nursing and makes a fine nurse.

We all appreciated the work Norma Merrill and Max Stambaugh's wife did in planning the reunion. Norma married Don Beekman and Max Stambaugh is a shop foreman at International Harvester in Canton.

Oh, I almost forgot about Johnny Ben. He and his wife drop in often to see us. He helps farm the land around your old homestead, Marcia.

I must go now girls, my children are calling. Please write me soon.

Very truly yours,
Kathy

CLASS

Junior Class History

In September, 1963, forty-five frightened Freshmen were greeted at the doors of A.H.S. by their class sponsors, Mrs. Kirkbride and Mr. Tripp. These green, timid Freshmen projected themselves into the year's activities immediately. Three girls were selected as J.V. cheerleaders. The class officers for the year were: Cheryl Trone, President; Jane Dadisman, Vice-President; Landa Skiles, Secretary; and Sherry Brown, Treasurer. Our Student Council Representatives were: Ginger Mummert, Kathy Jones and Linda Dorich.

As the doors of A.H.S. were opened in 1964, forty-five Sophomores marched in eagerly awaiting the promises of a new year. Our officers for the second year were: Bill Pollitt, President; Steve Parry, Vice-President; Jane Dadisman, Secretary; and Sherry Brown, Treasurer. Ginger Mummert, Kathy Jones, and Linda Dorich were again chosen to represent us in the Student Council. As in the previous year, our class was well represented in sports, band and other activities. Three J.V. cheerleaders were chosen from our class. That year our sponsors, Mrs. Kirkbride and Mr. Lowe, started us on our way to earning money for our Prom.

As the school bell rang in September of 1965, 40 members of the Junior Class began the long wait for class rings, the class play, and the Prom. The officers chosen to lead our class this year are: Connie Shaffer, President; Roger Grover, Vice President; Jane Dadisman, Secretary; Kent Briney, Treasurer. Our Student Council members this year are: Bill Pollitt, Ginger Mummert, and Kathy Jones. One of our girls was chosen as a Varsity cheerleader.

Mrs. Marx, our director, helped us present a successful play, "Arsenic and Old Lace". As the end of the year draws near, we Juniors, as well as Mrs. Kirkbride and Mr. Lowe, our sponsors, are anxiously awaiting the day of our Junior-Senior Prom.

SOPHOMORE CLASS HISTORY

On September 1 of 1964 a group of scared Freshmen entered the doors of old A.H.S.

A few weeks later, not so scared, we elected our class officers to lead the Class. They were: President, Teddy Bair; Vice-President, Kathy Myers; Secretary, Kathy Miller; and Treasurer, Cindy Warner. Student Council Representatives chosen were: John Werner, Jeanie Waggoner, and Bob Cassel. Our class sponsors were Mrs. Marx and Mr. Madden.

Several of our boys took part in various sport's activities that year. Two of our girls were chosen to be J.V. cheerleaders.

The Sophomores had the pleasure of initiating us in October before we became true members of the Astoria High School.

In September of '65 the same group of youngsters returned to A.H.S. to begin their Sophomore year. This year our officers are: President, Teddy Bair; Vice-President, Bob Cassel; Secretary, Kathy Miller; and Treasurer, Wendell Ogden. Student Council members are John Werner, Cindy Warner, and Jeanie Waggoner.

This year, as before, several boys went out for sports. Cindy Warner and Jeanie Waggoner were chosen to be J.V. cheerleaders.

Our class has been working very diligently for these past two years to raise money for our Junior-Senior Prom next year.

Freshman Class History

In August of 1965, a group of fifty-five frightened, but eager Freshmen entered A.H.S. to embark on their High School career. It was, at first, hard to adjust to this new life, but before long, many of the students had joined some activities.

The boys represented their class well in sports. Connie Bair, Jan Curless, Patty France, and Linda Powell were chosen as J.V. cheerleaders to help the boys toward victory.

The class officers are: President, Sam Parry; Vice-President, Edwin Oest; Secretary, Jean Clemens; Treasurer, Ricky Batterton.

Student Council members are Nancy Phillips, Jeff Poppenhager, and Jim Cassel.

Before long, Freshman initiation was upon them. The theme this year was "Movie Stars" and "Cartoon Characters". Those receiving prizes were: First place, Baby Huey and his Mamma-Lisa Danner and Jim Dodd; Second place, Phyllis Diller and Fang-Sally Cambell and Patty France; Third place, The Beverly Hillbillies-Jean Clemens, Phyllis Robertson, Jeff Poppenhager, Randy Foutch, Keith Prather, David Thomas, and Clark Stine.

In the town homecoming, the class received first place on their float entitled "Ireland".

The class sponsors are Mrs. Trimpe and Mr. Estes.

STUDENT COUNCIL

The Student Council is not just another extracurricular activity in the school, but is a very important organization in the school. It promotes school and community relationships, and works continually to improve making the school for our fellow students with projects for their benefit.

The Council isn't a money-making organization. Its purpose is to improve the school. The Council's projects during the year are as follows: planning the Miss Astoria Contest; providing three assemblies for the benefit and entertainment of the school; the individual pictures taken during the fall; the annual Christmas

party; Dress-up Day; and Student Government Day.

The members of the Council are selected representatives from every organization and class in the school. Each class has three members as representatives, and each organization has one. These members are first nominated from their group to run and then are voted on by the student body and the faculty in the spring of each year. Our sponsor is Mr. Garbe. This year's officers are: President, Diana Burton; Vice-President, Phillip Poppenhager; Secretary, Kathy Jones; Treasurer, Carol Joy Gift.

G.A.A.

"G.A.A. is for the good of the girls who play," is the motto of this important organization. This association provides interesting activities and the opportunity to display sportsmanship.

Interested girls have taken part in these activities: softball, bowling, modern

dancing, hiking, basketball, volleyball, and volley-tennis.

The girl's Athletic Association provides an activity for girls interested in sports. It is "for the good of the girls who play."

Our club started off its activities by joining the F.F.A. for a weiner roast and hay ride. Then we planned a campout at Camp Emanuel so the past members could get acquainted with the incoming Freshmen. Activities included a grab bag, dancing, and a midnight snack of pop and cake. Following

asleepless, cold, but fun packed night the girls filled up on pancakes.

November found us busy preparing tray favors for the Mason District Hospital in Havana. Preceding the Christmas Holidays, we went caroling in town and then returned to the school for cocoa and homemade donuts. In addition, the girls collected cans of food for needy families.

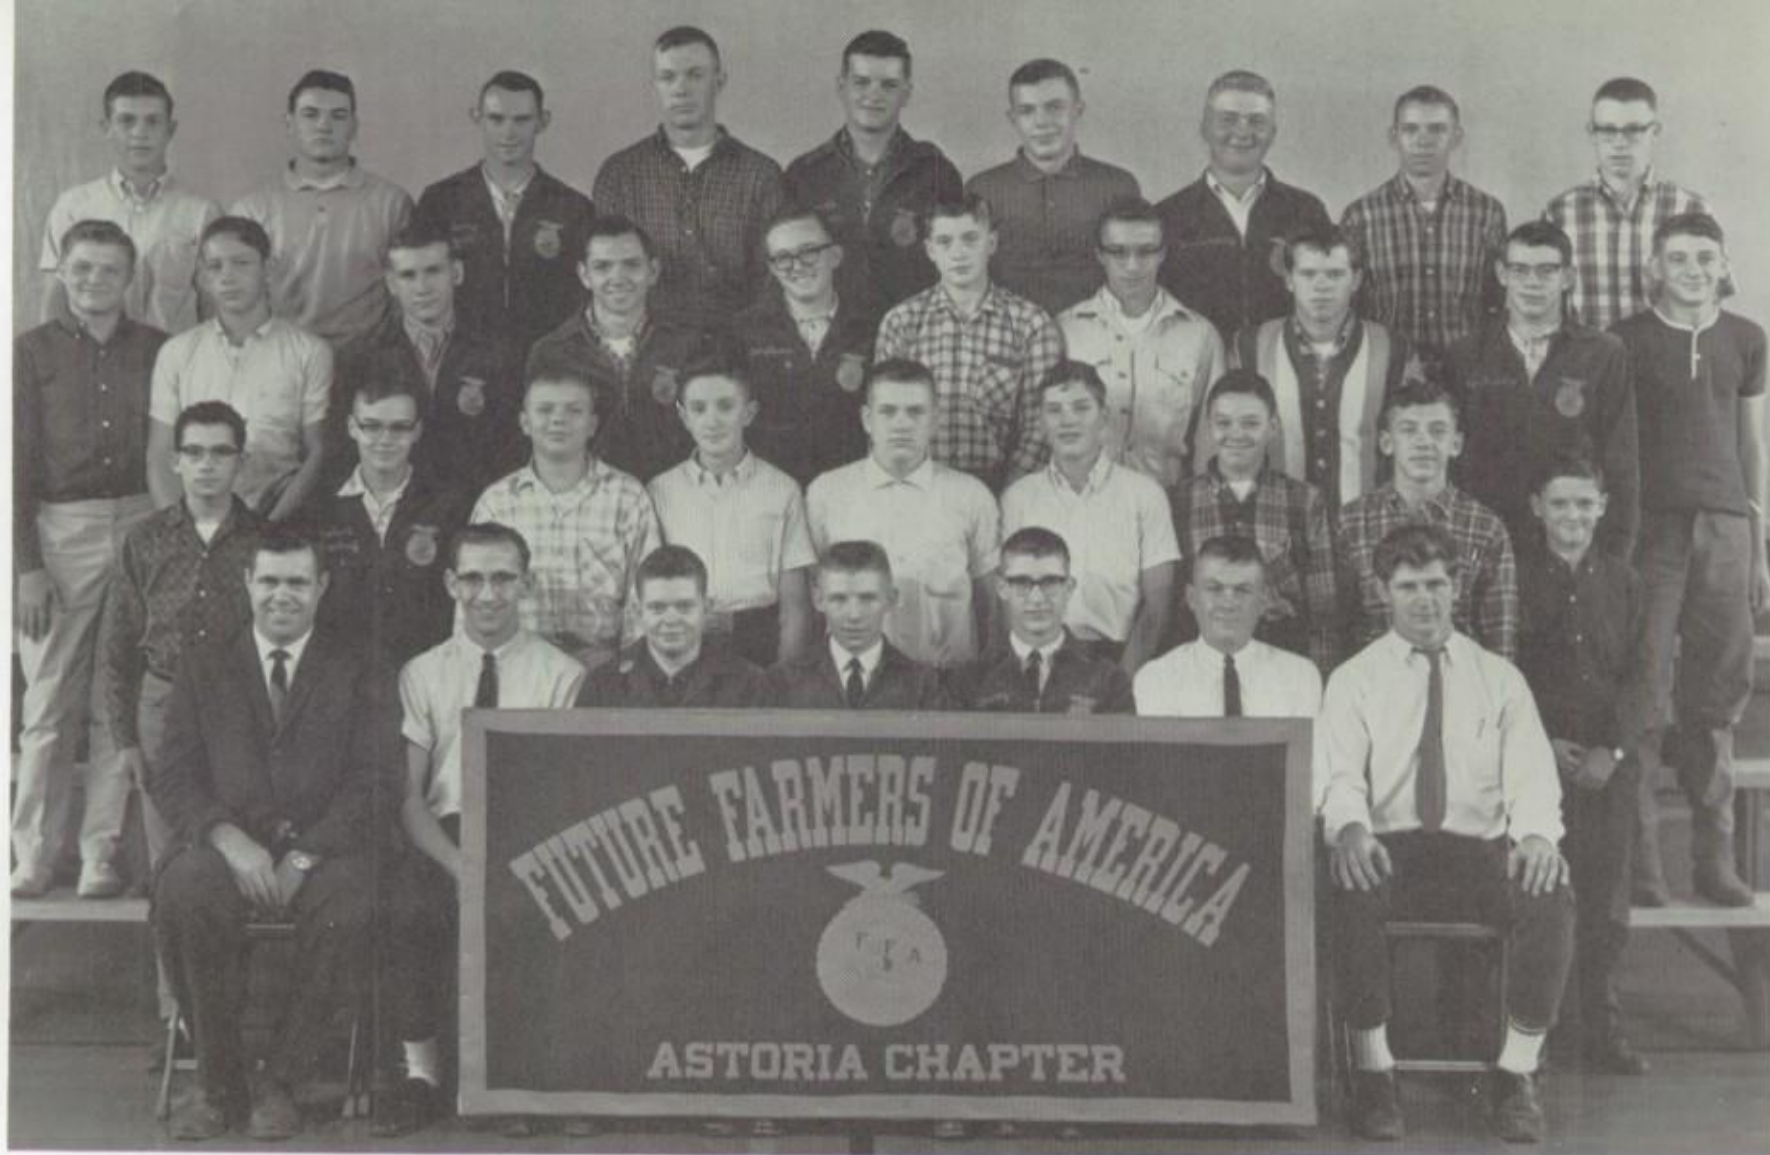

In February, we have the initiation of new members which includes a "costume" day. Also planned for this month is Heart Sister's Day.

The past months have also included money-making projects, such as soc hops, rummage and bake sales. We plan to use the money for a skating party and a trip, later in the spring.

Future Farmers of America

The Future Farmers of America is the national organization of, by, and for boys studying vocational agriculture. It was organized nationally in 1928. The Astoria chapter was originally chartered on November 7, 1938.

The symbols of this organization are the owl, the plow, a cross section of an ear of corn, the rising sun, and the eagle which when formed together, symbolize the emblem of an honorable rural youth organization.

There are thirty-five members in the

Astoria chapter of Future Farmers. The officers are: President, Steve Skiles; Vice-President, Rodney Chockley; Secretary, Tom Trone; Treasurer, Stephen Dean; Reporter, Kenny Batterton; Sentinel, Marvin Westlake. Our advisor is Mr. Lowe.

The F.F.A. took a trip to Chicago this year and had an enjoyable time. Many other activities are being planned for the future. This year we participated in Soil Judging Contest, Grain Judging, and Livestock Judging. We also rented a farm.

However, as the play progresses, the Sycamore's happy madness puts the Kirby's not so happy concept of life to shame.

NATIONAL HONOR SOCIETY

Gaining membership into the National Honor Society is one of the highest honors a high school student can attain. The cardinal objectives of the Honor Society are: leadership, encouragement of high standards of scholarship, service, and character among high school students. These objectives are the requirements for any chapter of the National Honor Society.

To be eligible for membership in the Astoria chapter, the student must be of at least Junior standing, must have no less than a 3.0 grade average in accordance with our school's 4.0 grading system, and must never have received below 2.0 for a semester grade. The names of the students who meet these requirements are submitted to the entire faculty to be voted on. The faculty then considers the qualifying factors and votes accordingly. Two dissenting votes by the faculty bar a person from attaining membership into the National Honor Society.

Once one is in the National Honor Society, he has certain requirements he must keep to maintain his membership. If he does not maintain the required scholastic standing, or for any other reason is proven unworthy to belong to the National Honor Society, he will be dismissed.

The members that were taken into the National Honor Society this year were Roger Grover, Bill Pollitt, Sherry Brown, Linda Dorich, Cheryl Trone, Jane Dadisman, Mary Jo Tippey, Ginger Mummert, and Landa Skiles. All nine of these students are juniors this year. This is the largest group of initiates that has been accepted into the Astoria chapter since it was formed in 1961.

The Band's activities began this year with the Canton Friendship Festival parade that took place on September 18. On September 25 the High School band took part in the Astoria Homecoming Parade. These two parades are annual events in which we enjoy taking part.

A selection of seasonal and standard numbers was performed at our Christmas concert on December 12.

February 7 marked the date of the Fulton County Band Festival. On this evening each band in Fulton County presented two numbers of their own in addition to the numbers that were played in the mass band. The two pieces performed by our band were "Thundercrest" and "Waltzing Winds", both by Eric Osterling.

Much time went into the preparation of the solos and ensembles that were taken to contest at Macomb on March 12.

At our Spring Concert on April 24, selections were

performed by the Grade School Cadet Band, Stage Band, and the High School Concert Band.

On the day following the Spring Concert was our third annual spring tour in which we presented a concert in two of the area high schools, one in the morning and one in the afternoon.

The awards from the solo and ensemble contest and for band participation are presented at the band banquet, to take place this year on May 29.

Memorial Day will find our band giving a concert in the park for the annual Memorial Day service.

Our band season is closed each year with a series of eight concerts given in the park on Saturday evening. The first of these concerts this year is June 11. The band students are rewarded for their time and effort by getting to take a trip to the State Fair in August.

THE 1965 FOOTBALL TEAM COMPILED A 1-6-1 RECORD

The win was a 13-0 victory against Virginia, the first game of the season. The tie was 0-0 with Industry. In this game we moved the ball well but had 120 yards against us. The boys really showed what they could do in the last 2 minutes of the game.

Co-captain, Chuck Waggoner, was named 2nd string All Conference tackle. Chuck did a great job on both offense and defensive tackle. He was also the back bone of the line.

Co-captain, Phil Poppenhager, did a good job at quarterback. The job of the quarterback is to lead the team. Phil was at his best in the Virginia game.

Melvin Edmiston was injured at the first of the season with torn ligaments. He came back half way through the season and did a great job on defense.

Bob Bucher did a very good job at guard on both offense and defense.

Doug Shaw made a great halfback after being out half a year due to injury.

Roy Parry was as tough a defensive end as there was in the Wilco Conference.

We also had 5 sophomores, 1 freshman, and 4 juniors who played a lot of football and are looking forward to next season.

Our JV team got off to a good start by defeating Industry in their opening game. Next came a tie with Beardstown. The JV's went on to lose their last two games to Cuba and Havana who proved too much for our

boys.

These boys did a fine job in helping to condition the varsity and in gaining experience for next year.

VARSIY BASKETBALL

The Varsity had a very poor season this year, winning 3 and losing 18. The Pirates lacked the main factors of height and experience, with only four players that were six feet or over and only four lettermen. The starting five were: Roy Parry, Bill Pollitt, Wendell Ogden, Mark Sager, and Bob Cassel. Steve Parry and Wendell Jay Gift also saw much action.

The Pirates scored to total of 843 points to their opponents' 933. Mark Sager led the Pirates in scoring this year with 213 points. Bill Pollitt was next with 140 points. Following these two were: Roy Parry, 117 points; Bob Cassel, 115 points; Wendell Ogden, 109 points; Steve Parry, 67 points; and Wendell Gift, 42 points.

TRACK

Last year our track team tied for third place in the County Track Meet. We also received third place in the Wilco Conference.

We are looking forward to a very fine track

season. We should win first place in the Fresh-Soph Wilco Conference. The Varsity should also do very well.

SOPHOMORE BASKETBALL TEAM

This year's Junior Varsity team was composed of almost all sophomores. Wendell Jay Gift, Ricky Blue, Jon Davis, Jim Cassel, and Jack Danner saw most of the action. Bob Cassel, Mark Sager, and Wendell Ogden saw more Varsity action than J.V. but were handy when the team needed them. There were also several freshmen ready to help the team.

Our team won the Junior Varsity County Championship by defeating Lewistown. They also won the Astoria Sophomore Invitational. Most important was that they won the Junior Varsity Wilco Conference Championship, going undefeated to do so. The boys also have a very impressive 31-0 record. A team like this deserves a lot of support from its fans.

FRESHMAN BASKETBALL TEAM

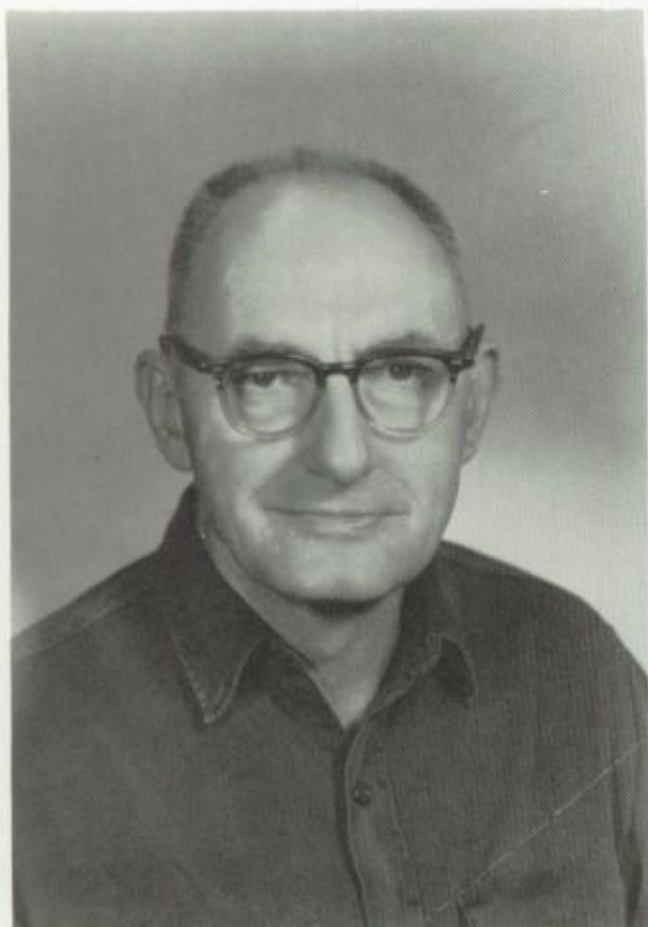

The freshman squad won three games and lost two games in the 65-66 season. They beat Cuba, Lewistown and Avon. Cuba beat them out of the Valley Freshman Tournament and Lewistown beat them in regular

play. The starting five were Randy Foutch, Sam Parry, Jeff Poppenhager, Jim Cassel, and Keith Heier. The boys are looking forward to playing a full schedule of games next year as sophomores.

Ginger,

Well my school days are almost over in one sense and just ready to begin in another. We've had some great times and I'll never forget the Christmas vacation I spent at your house.

The applesauce, Marvin, Dennis, Monopoly, and our great sled riding trip.

Best of luck in your future year at H.H.S. and I'm sure your life will be a success.

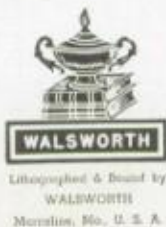

Love always,

Dear Ginger,

This year is almost over and we'll only have one more year after this. That really frightens me!! I hope we won't be separated by too many miles after graduation.

We've done a lot of stupid things together that I hope you'll remember. Always remember me as the kid who was smaller than you are!

Best luck to the end!!
